### OLQP MISSION STATEMENT

Our Lady Queen of Peace Catholic Church is dedicated to witnessing the teachings of Jesus Christ, especially the Gospel of Saint Matthew, Chapter 25:31-46. Our mission is to nurture the spirit and to encourage the potential of those we serve through liturgical celebration, educational endeavors and social ministries. The parish will continue to identify with its origin as a Black parish. As a multi-ethnic congregation we will seek to promote racial harmony and social justice. While our primary focus is within the immediate community, we will also work to provide for the well-being of the downtrodden everywhere. In this we strive for our parish community to be a caring, sharing, and loving family.

### Medor's Arborloo Program

Many people in St. Joseph parish are actively participating in the arborloo (family latrine) program, having a significant positive impact in the remote rural area. The expansion project exceeded its objectives and the great majority of participants are using the arborloos, and the in-home water purification system as planned. Manlove, the coordinator of the program, concluded, "People have received this project with joy since for most it is the first time they will use a toilet. Already we have more than 100 requests from other people who want an arborloo. We have already planted many trees and transported slabs from the previous project. This announces a green environment for the 10 years to come. The inhabitants of the zone have a great desire to fight erosion. The members of these communities send a big thank you to donors and everyone who contributed to make this project possible. The sanitation program you are sponsoring in Medor is a silent revolution, providing jobs for many – transporters, carpenters, cement workers, sand gatherers, and many more. Not only are people benefiting from improved health due to improved sanitation, the arborloo program, through job creation, is also improving livelihoods." Check out Dr. Sue's blog on Medor at [marysusancarlson.tumblr.com](http://marysusancarlson.tumblr.com)

*Please continue to pray for our sisters and brothers in Haiti!*

**JUST\$** - Per the USCCB: The poverty and hunger that diminish the lives of millions in our own land and in so many other countries are fundamental threats to human life and dignity and demand a response from believers. By using Just\$ Giant, Safeway and Shoppers cards for your weekly grocery shopping, you are responding to the needs of the food insecure in our community.

### CONSISTENT ETHIC OF LIFE (CEL)

At OLQP, we pray for, stand with and defend any human life threatened by violence or deprivation. Catholic Social Teaching instructs us as to the dignity and sacredness of each human life. Pope Francis reminds us that these concerns are all connected. Let us stand in solidarity with all our vulnerable brothers and sisters. We work to pursue connections on all life issues; such as (but not limited to) death penalty, immigration, gun violence, poverty, racism, abortion, integrity of creation, euthanasia. Our goal is for all in our parish to understand and embrace the Consistent Ethic of Life. Meetings are Thursdays, June 8 and July 13 at 7:30pm. Input is needed. Please join. **JUST A THOUGHT OR TWO...** St. Augustine said that the Spirit blows where the Spirit wills...not exactly comforting if you are someone who likes things neat and orderly or if you prefer to have life all figured out and neatly packaged. Most of us would prefer to see life's decisions as right or wrong, good or bad...as if everything in life were black and white. The problem with life is that most of the time we are living in the grey, everything is not black and white! This is where the Holy Spirit offers counsel, the challenge is to be open to Her counsel! The Holy Spirit blows where She wills and inspires and guides whomever She chooses, whenever and wherever She chooses. Most of us get use to a particular routine and we find comfort in doing things in particular way and we find discomfort when our routine gets changed by outside influences or when we are forced to do things in a different or new way. It is no different in the church, we all get comfortable in the way we worship, in the way we pray, in the way we sing, in what we sing, and then when change comes we suddenly are set off center and we feel "off balance" at the change or new ways. I am sure that many in the church today see the Pope's challenge to live a radically gospel centered life as a change from what they were used to. In answering the Gospel's call, Pope Francis has called us out of the church buildings and into the streets to be a "field hospital" where binding up the wounds of the poor and brokenhearted is a priority. The Pope is following the call of Christ, who calls us to be a welcoming presence to immigrants and refugees, to seek out the lost and forsaken and to "be" the word of peace in the presence of war, to "be" the word of love spoken to the lonely and marginalized of the world, to "be" the word of justice and equality spoken in the midst of injustice, racism and exclusion. As well, we are called to be care takers of creation, to take responsibility for the way we live on the planet; personally, communally, nationally and internationally. While all of this can all seem overwhelming, we need to remember that we are not called to do all this by ourselves but rather it is in and through the powerful presence of the Holy Spirit within us that we that we are able to do all good things! As we celebrate the great feast of Pentecost let each of us ask ourselves to where and to what is the Holy Spirit calling me? Easter Blessings, Fr Tim

**PENTECOST SUNDAY, known around the world as "the birthday of the church" is also "the birthday" of our parish community!**

And, so it was no coincidence on Pentecost Sunday May 20, 1945—72 YEARS AGO! — Father Joe Hackett, CSSp, the first pastor of Our Lady Queen of Peace, and a group of devote and determined Black Catholics — **JOSEPH BOWMAN , CLARENCE AND SELENA BROWN, ALICE BUTLER, LAWRENCE AND JESSIE BUTLER, IRMA CARTER, HATTIE ELLIS, MARY FERNANDERS, EDWARD MARSHALL, GRACE MCGWINN, EDWARD AND ALICE MOORMAN, CONSTANCE SPENCER LAUTIER, SOPHIA TERRY, THAD-DENIA WEST** — celebrated the first Mass of the parish in the home of Lawrence and Jessie Butler. The Spiritans (the Congregation of the Holy Spirit) were also founded on Pentecost Sunday (in 1703 in Paris, France).

The Spiritans have a rich history of serving the poor and marginalized. In the early 1750's they journeyed to North America to work with the Micmac Indians living in what was later to become the North East United States. Beginning in the 1840s on the islands of Haiti, Mauritius and Reunion and later in the United States, the Spiritans dedicated themselves to working with newly freed slaves and immigrant populations. In East Africa they began work in the 1860s by rescuing men, women and children out of slavery in Zanzibar. They opened schools and hospitals, taught people marketable skills, and gave property to those who needed it.

The Spiritans are credited with pioneering modern missionary activity in Africa and ultimately sent more missionaries there than any other religious institute in the Catholic Church. In many countries the Spiritans were invited by the local Catholic bishops to minister to Catholics in remote areas where they had difficulty getting other priests to minister. Today the Spiritans number about 3,000 priests, brothers and lay associates and work in some 68 countries around the globe.

As we celebrate Pentecost Sunday and our parish's 72nd anniversary, as a Spiritan parish we also celebrate the Spiritans' 314th anniversary!

**Today's special second collection honors and celebrates the work of the Spiritans.**
